

Name	Hussain Abdul karim Hammas safyhussain@yahoo.com			
Education:				
Degree	Discipline	Institution	Year	
Master of Communication Engineering	Communication Engineering	University of Technology	2004	
BSC	Electricity	Military Engineering College	1990	
الخبيرات Academic experience:				
Institution	Rank	Title	When	Full Time/Part Time
University of Technology Quality Assurance	Director of the Department	Lecturer	17/6/2013 23/6/2014	Full Time
Military Engineering College	Lab. teacher	BSC	1990-2004	Full Time
University of Technology	Teaching	Ass.Lecturer	2004-2009	Full Time
University of Technology	Teaching	Lecturer	2009-	Full Time
الخبرات خارج مجال التعليم Non-academic experience:				
Company or entity	Title	position	When	Full Time/Part Time
Certifications or professional registrations:				
1-Teaching methods 2-Computer efficiency				
Current membership in professional organizations:				
Member of Iraqi engineers				
Honors and awards:				
Quality Badge				
Service activities (within and outside of the institution):				

1-Held many seminars 2- Held many workshops 3-Participation in global conferences
Briefly list the most important publications and presentations from the past five years – title, co-authors if any, where published and/or presented, date of publication or presentation:
1- Performance and analysis of a proposed quadratic kock curve dipole fractal antenna design. 2- Radiation performance evaluation of microstrip antenna covered with a dielectric layer.
3- Analysis and design of combined fractal dipole wire antenna 4-Apeano fractal – based dual-mode microstrip band pass filters for wireless Communication systems. 5- Design of afractal – based compact size microstrip band pass filter with high Selectivity and second harmoic. 6- Study the acadimic performance of chemical engineering department under The standards of accreditation (ABET).
Briefly list the most recent professional development activities:
